1. Welcome to BrightPath

BrightPath was founded to help organizations simplify the way they manage their people. Whether you joined us in engineering, design, or human resources, you are now part of a team that values clear communication, ownership, and continuous improvement.

This handbook applies to all full-time, part-time, and contract employees. It is intended as a practical guide, not a legal contract. Where local law provides greater protection than a policy described here, local law applies.

2. Code of Conduct

We expect every employee to act with honesty, respect, and professionalism. In practice, this means:

- Treating colleagues, clients, and partners with courtesy, regardless of role or seniority.
- Protecting confidential company and customer information.
- Avoiding conflicts of interest, and disclosing them promptly when they arise.
- Complying with all applicable laws and company security policies.

Concerns about workplace conduct can be raised confidentially with your manager or directly with Human Resources at any time, without fear of retaliation.

3. Time Off & Leave Policy

Full-time employees accrue paid time off (PTO) based on tenure, starting at 15 days per year. PTO covers vacation, personal time, and short-term illness.

- Leave requests should be submitted through the HR Portal at least two weeks in advance when possible.
- Sick leave for unplanned illness may be submitted with less notice.
- Unused PTO may roll over up to a maximum of 5 days into the following calendar year.
- Bereavement, jury duty, and parental leave are available under separate policies; contact HR for details.

4. Benefits Overview

BrightPath offers a comprehensive benefits package to eligible employees, including:

- Medical, dental, and vision insurance, with several plan tiers to choose from.
- A 401(k) retirement plan with company matching up to 4% of salary.
- Company-paid life and short-term disability insurance.
- Access to an employee assistance program for personal and family support.

Benefit elections can be made during your first 30 days of employment and during the annual open enrollment period each fall. Details on your current elections are available in the Benefits section of the HR Portal.

5. Workplace Safety

BrightPath is committed to providing a safe working environment, whether you work from an office or remotely.

- Report any workplace injury or safety concern to your manager and HR within 24 hours.
- Office emergency exits and assembly points are posted on each floor.
- Remote employees are encouraged to maintain an ergonomic, hazard-free home workspace.
- Harassment, threats, and violence of any kind will not be tolerated.

6. Contact & HR Information

Human Resources is here to help with anything from benefits questions to workplace concerns.
